TERMS OF USE

THESE TERMS OF USE CONTAIN A BINDING ARBITRATION CLAUSE AND CLASS ACTION WAIVER THAT IMPACT YOUR RIGHTS ABOUT HOW TO RESOLVE DISPUTES. PLEASE READ IT CAREFULLY.

By accessing or using the Bluebelt websites at <https://bluebelt.asia> or other branding websites in some countries (the “Site”) and any services made available through the Site and affiliated websites such as <https://bluebelt.zendesk.com> (collectively, the “Services”), you (“User” and collectively with others using the platform “Users”) agree to be bound by these Terms of Use (“Terms”). The Services are owned and controlled by Bluebelt Company (“Bluebelt”), and the terms “we,” “us,” and “our” refer to Bluebelt Company. These Terms affect your legal rights and obligations, including but not limited to the binding arbitration provisions contained in Section 23 below that may significantly affect your legal rights, including your right to file a lawsuit in court and to have a jury hear your claims. If you do not agree to be bound by these Terms, do not access or use the Services.

Bluebelt reserves the right to change or modify the terms and conditions contained in these Terms, including but not limited to any policy or guideline of the Site, at any time and at its sole discretion. We will provide notice of these changes by posting the revised Terms to the Site and changing the “Last Revised” date at the top of the Terms, or by emailing Users at their provided email addresses, or by any other means as determined by Bluebelt. Method of notification will be left to Bluebelt's sole discretion. Using a particular form of notice in some instances does not obligate us to use the same form in other instances. Any changes or modifications will be effective immediately upon posting the revisions to the Site or at the instant that Bluebelt transmits the information to the Users (e.g. via email). These changes will apply at that instant to all then current and subsequent uses of the Site. You waive any right you may have to receive specific notice of such changes or modifications. Your continued use of this Site acts as acceptance of such changes or modifications. If you do not agree to the Terms in effect when you access or use the Site, you must stop using the Site.

PREAMBLE

Bluebelt provides an online service (the “Platform”) that allows Users to exchange between themselves different blockchain tokens, which are data that typically represents transaction, access, or other participation rights on corresponding blockchain networks (collectively, “Tokens”). Bluebelt may make available to Users other ancillary services to facilitate the exchange of digital assets.

1. ELIGIBILITY

By accessing or using the Site, you represent and warrant that you are at least 18 years old and have not previously been suspended or removed from the Site. You also represent and warrant that you are not a resident of a Restricted State as defined here. The list of Restricted States is subject to change at any time. In the event a state becomes a Restricted State, Bluebelt will

provide Users residing in that state with notice via email, a notification on our Site, or other means as we deem necessary, regarding their access to the Services.

You represent and warrant that you will not be using this site for any illegal activity, including but not limited to illegal gambling, money laundering, fraud, blackmail, extortion, ransomware data or the financing of terrorism, or other violent activities.

Notwithstanding the foregoing, Bluebelt may not make the Services, in whole or in part, available in every market, either in its sole discretion or due to legal or regulatory requirements, depending on the User's location.

2. ACCOUNT AND INITIAL FUNDING; THIRD PARTY TRANSFERS

In order to access and use the Services, you must create an account with Bluebelt (an "Account"). You agree to: (a) provide accurate, current and complete information when creating the Account; (b) maintain and promptly update your Account information to keep it accurate, complete, and current; (c) maintain the security and confidentiality of your login credentials and restrict access to your Account and your computer, tablet, or mobile device; (d) promptly notify Bluebelt if you discover or otherwise suspect any security breaches related to the Site or your Account; and (e) take responsibility for all activities that occur under your Account and accept all risks of unauthorized access.

You must provide Bluebelt with a valid email address to create an Account. You agree to keep your email address on file with us updated. You may withdraw your consent to receive emails by sending a withdrawal notice to Bluebelt, understanding that Bluebelt may suspend or terminate your ability to use the Services. You understand and agree that if Bluebelt sends you an electronic communication but you do not receive it because your email address on file is incorrect or out of date, or because our email is blocked by your service provider or intercepted by your spam filter, or you are otherwise unable to receive electronic communications, Bluebelt will be deemed to have provided the communication to you regardless.

In order to fund your Account and begin trading, you will need to first procure Tokens. Once procured, you must send Tokens to the address provided by Bluebelt and wait for the balance to appear in your Account. It is your responsibility to ensure you send Tokens to the correct address provided for that particular Token, else your funds may never be recovered. Bluebelt makes no representations or warranties regarding the amount of time that may be required to complete transfer of your Tokens from a third party wallet or other source and have such Tokens become available in your Account.

When you elect to transfer Tokens from your Account to a third party wallet or other location, it is always possible the party administering the new location may reject your transfer or that the transfer may fail due to technical or other issues affecting our platform. You agree that you shall not hold Bluebelt liable for any damages arising from a rejected transfer.

Bluebelt reserves the right to limit the number of Accounts that any User or such User's affiliates can open or hold.

3. PRIVACY POLICY

Your privacy is important to us. We only share your information with third parties as outlined in our Privacy Policy or as required to do so by law enforcement, court order, or in compliance with identity verification or legal reporting obligations in Bluebelt's sole judgment.

4. CONFIDENTIALITY OF THE TRANSMISSION OF INFORMATION OVER THE INTERNET

The transmission of data or information (including communications by e-mail) over the Internet or other publicly accessible networks may not always be secure, and is subject to possible loss, interception, or alteration while in transit. Accordingly, Bluebelt does not assume any liability, without limitation, for any loss or damage you may experience or costs you may incur as a result of any transmissions over the Internet or other publicly accessible networks, including but not limited to transmissions involving the Platform or e-mail with Bluebelt containing your personal information. While Bluebelt will take commercially reasonable efforts to safeguard the privacy of the information you provide to Bluebelt and will treat such information in accordance with Bluebelt's Privacy Policy, in no event will the information you provide to Bluebelt be deemed to be confidential, create any fiduciary obligations for Bluebelt, or result in any liability for Bluebelt in the event that such information is negligently released by Bluebelt or accessed by third parties without Bluebelt's consent.

5. RISK DISCLOSURE STATEMENT

Bluebelt provides an execution-only service and does not advise on the merits of any particular transactions or their tax consequences. As a general matter, Users should be aware of the following prior to utilizing our Services.

Trading Tokens can be extremely risky. Each particular Token has a unique feature set that makes it more or less likely to fluctuate in value. In addition, factors beyond Bluebelt's control may affect market liquidity for a particular Token, such as regulatory activity, market manipulation, or unexplainable price volatility. Blockchain networks may go offline as a result of bugs, hard forks, or a number of other unforeseeable reasons. Bluebelt does not assume the risk of losses due to trading or due to factors beyond its control regarding the viability of specific blockchain networks. As a general matter, we advise Users with limited trading experience and low risk tolerance not to engage in active trading. Speculating on the value of Tokens is high risk and Users should never trade more than they can afford to lose.

Understanding Tokens requires advanced technical knowledge. Tokens are often described in exceedingly technical language that requires a comprehensive understanding of applied cryptography and computer science in order to appreciate inherent risks. Listing of a Token on Bluebelt does not indicate approval or disapproval of the underlying technology regarding any Token, and should not be used as a substitute for your own understanding of the risks specific

to each Token. We give you no warranty as to the suitability of the Tokens traded under these Terms and assume no fiduciary duty in our relations with you.

You accept the risk of trading Tokens. In entering into any transaction on the Platform, you represent that you have been, are, and will be solely responsible for making your own independent appraisal and investigations into the risks of the transaction and the underlying Tokens. You represent that you have sufficient knowledge, market sophistication, professional advice and experience to make your own evaluation of the merits and risks of any transaction or any underlying Token.

You are responsible for complying with applicable law. You agree that Bluebelt is not responsible for determining whether or which laws may apply to your transactions, including tax law. You are solely responsible for reporting and paying any taxes arising from your use of the Services.

You are aware of and accept the risk of operational challenges. Bluebelt may experience sophisticated cyber attacks, unexpected surges in activity, or other operational or technical difficulties that may cause interruptions in the Service. You understand that the Service may experience operational issues that lead to delays on our platform. You agree to accept the risk of transaction failure resulting from unanticipated or heightened technical difficulties, including those resulting from sophisticated attacks. You agree not to hold Bluebelt accountable for any related losses.

Bluebelt does not advise on trading risk. If at any point Bluebelt or its representatives do provide trading recommendations, market commentary, or any other information, the act of doing so is incidental to your relationship with us and imposes no obligation of truth or due diligence on behalf of Bluebelt or its representatives.

Bluebelt is a regulated entity and must comply with applicable law. Applicable law, regulation, and executive orders may require Bluebelt to, upon request by government agencies, freeze withdrawals or trading (or both), or provide information regarding your account. Further, our recordkeeping and customer verification procedures are subject to change at any time as required by law or industry practices. We must comply with the law and you accept any inconveniences to you or other consequences resulting from our compliance.

Users accept all consequences of sending Tokens to an address off our platform. Token transactions may not be reversible. Once you send Tokens to an address, you accept the risk that you may lose access to your Tokens indefinitely. For example, an address may have been entered incorrectly and the true owner of the address may never be discovered, or an address may belong to an entity that will not return your Tokens, or an address belongs to an entity that may return your Tokens but first requires action on your part, such as verification of your identity.

6. MARGIN TRADING

Margin trading on Bluebelt is **HIGH RISK**. As a borrower, you may sustain a total loss of Tokens, or owe Tokens beyond what you have deposited to your Account. The high volatility and substantial risk of illiquidity in markets means that you may not always be able to liquidate your position.

You agree to maintain a sufficient amount of Tokens at all times to meet Bluebelt's minimum balance requirements, as such requirements may be modified from time to time. If the value of the assets in your Account falls below the minimum balance requirement or Bluebelt determines, at its sole discretion, that your Account appears to be in danger of defaulting on a loan, Bluebelt may seize and liquidate any or all of your positions and assets on any balance in your Account in order to settle your debt to other Users. If, after your positions and assets are liquidated, your Account still contains insufficient Tokens to settle your debts to other Users, you will be responsible for any additional Tokens owed. Intentionally defaulting on a loan may result in Bluebelt reporting your activities to authorities and/or in legal prosecution.

Although Bluebelt takes several precautions to prevent a User from defaulting on a loan, the high volatility and substantial risk of illiquidity in markets means that Bluebelt cannot make any guarantees to any Users using the Services against default. When you lend Tokens to other Users, you risk the loss of an unpaid principal if the borrower defaults on a loan and liquidation of the borrower's Account fails to raise sufficient Tokens to cover the borrower's debt.

Under certain market conditions, you may find it difficult or impossible to liquidate a position. This can occur, for example, if there is insufficient liquidity in the market or due to technical issues on our platform. Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily limit your losses to the intended amounts, since market conditions may make it impossible to execute such orders. The use of leverage can work against you as well as for you and can lead to large losses as well as gains.

All Users understand that the technology underlying Tokens is subject to change at any time, and such changes may affect your assets stored on our platform. You claim full responsibility for monitoring such technological changes and understanding their consequences for your Tokens. Users conduct all trading, margin trading, lending, and/or borrowing on their own account and Bluebelt does not take any responsibility for any loss or damage incurred as a result of your use of any Services or your failure to understand the risks involved in Token use generally or your use of our Services.

7. LIMITED LICENSE; FEES

Bluebelt grants you a limited, nonexclusive, nontransferable license, subject to these Terms, to access and use the Services, and the content, materials, information, and functionality available in connection therewith (collectively, the "Content") solely for information, transactional, or

other approved purposes as expressly permitted by Bluebelt from time to time. Any other use of the Services or Content is expressly prohibited. All other rights in the Platform or Content are reserved by us and our licensors. You will not otherwise copy, transmit, distribute, sell, resell, license, de-compile, reverse engineer, disassemble, modify, publish, participate in the transfer or sale of, create derivative works from, perform, display, incorporate into another website, or in any other way exploit any of the Content or any other part of the Services or any derivative works thereof, in whole or in part for commercial or non-commercial purposes. Without limiting the foregoing, you will not frame or display the Site or Content (or any portion thereof) as part of any other web site or any other work of authorship without the prior written permission of Bluebelt. If you violate any portion of these Terms, your permission to access and use the Platform may be terminated immediately pursuant to these Terms. In addition, we reserve the right to avail ourselves of all remedies available at law and in equity for any such violation. “Bluebelt.asia”, “Bluebelt”, and all logos related to the Services or displayed on the Site are either trademarks or registered marks of Bluebelt or its licensor. You may not copy, imitate or use them without Bluebelt’s prior written consent.

In consideration for the use of the Services, you agree to pay to Bluebelt the fees for completed trades, as set forth in our fee schedule, which Bluebelt may revise or update in its sole discretion from time to time. You authorize Bluebelt to deduct any applicable fees from your Account at the time you make a given transaction. Changes to the fee schedule are effective as of the date set forth in any revision and will apply prospectively from that date forward.

Bluebelt does not, as a general rule, participate in promotions without an official pronouncement, either on our Site or elsewhere. You promise to obtain prior written approval prior to releasing any statements, written media releases, public announcements and public disclosures, including promotional or marketing materials, relating to Bluebelt.

8. ATTACKS ON BLOCKCHAIN NETWORKS

Bluebelt does not have any ability to prevent or mitigate attacks on blockchain networks. With respect to its platform, Bluebelt reserves the right to take the following commercially reasonable actions in the event of an attack: (i) If Bluebelt is able to confirm that a Token active on the Platform has been compromised or is under attack, Bluebelt may immediately halt trading, deposits, and withdrawals for such Token; (ii) if it is determined that such an attack caused the Token to greatly decrease in value, Bluebelt may discontinue trade activity on such Token entirely. Bluebelt does not have any obligation to engage in activity in relation to attacks on blockchain networks.

Resolutions concerning deposits, withdrawals, and User balances for an attacked Token will be determined on a case-by-case basis by Bluebelt in its sole discretion. Bluebelt makes no representation and does not warrant the safety of the Platform and is not liable for any lost value or stolen property, whether or not Bluebelt was negligent in providing the proper security.

9. FinCEN Registration

Bluebelt is registered with the Bangko Sentral ng Pilipinas (BSP), registration number 31000091844018. Bluebelt may be required to file details of Account activity to BSP from time to time. Bluebelt may also be required to provide information to government agencies as required by law to other state or federal agencies.

10. Anti-Money Laundering (AML) & Know Your Customer (KYC) Policy

Bluebelt protects itself from involvement in any activity that facilitates money laundering or other criminal activities by following the BSP guidance.

By agreeing to our Terms, you acknowledge and understand that Bluebelt maintains verification levels which require User participation and verification in order to obtain, with leveled permissions based on User-supplied information, our ability to verify it, and our internal policies. You accept that you may not be able to achieve a desired level of verification, and Bluebelt reserves the right to determine, at its sole discretion, the appropriate verification level and criteria for any User, as well as the right to downgrade Users without prior notice. Bluebelt may, from time to time, implement policies restricting verification levels and criteria by nationality, country of residence, or any other factor. This may affect your ability to withdraw Tokens and you agree to indemnify, defend and hold harmless Bluebelt against any losses associated with an inability to deposit and/or withdraw Tokens based on the verification level assigned by Bluebelt to your Account.

11. THIRD PARTY CONTENT

Bluebelt and its Users may provide third party content on the Site and may provide links to web pages and content that are not owned or controlled by Bluebelt (collectively the "Third Party Content") as a service to those interested in this information. Bluebelt does not control, endorse, or adopt any Third Party Content and makes no representation or warranties of any kind regarding the Third Party Content, including but not limited to its accuracy or completeness. You acknowledge and agree that Bluebelt is not responsible or liable in any manner for any Third Party Content and undertakes no responsibility to update or review any Third Party Content. You acknowledge that your use of such Third Party Content is at your own risk. Your business dealings or correspondence with, or participation in promotions of, any third parties, and any terms, conditions, warranties, or representations associated with such dealings or promotions, are solely between you and such third parties. Bluebelt is not responsible or liable for any loss or damage of any sort incurred as the result of any such dealings or promotions or as the result of the presence of such Third Party Content on the Site.

12. COPYRIGHT OF FEEDBACK MATERIALS

You acknowledge and agree that any materials, including but not limited to questions, comments, feedback, suggestions, ideas, plans, notes, drawings, original or creative materials or other information or commentary you provide on our platform or one of our social media accounts, regarding Bluebelt or the Services (collectively, "Feedback") that are provided by you,

whether by email, posting to the Site or otherwise, are non-confidential and will become the sole property of Bluebelt. Bluebelt will own exclusive rights, including all intellectual property rights, and will be entitled to the unrestricted use and dissemination of such Feedback for any purpose, commercial or otherwise, without acknowledgment or compensation to you.

13. USER CONDUCT AND OBLIGATIONS

In connection with your use of the Services and in addition to the list of prohibited activities in Section 1 above, you will not:

- Violate or assist any party in violating any law, statute, ordinance, regulation or any rule of any self-regulatory or similar organization of which you are or are required to be a member through your use of the Services;
- Provide false, inaccurate, incomplete or misleading information;
- Infringe upon Bluebelt's or any third party's copyright, patent, trademark, or intellectual property rights;
- Distribute unsolicited or unauthorized advertising or promotional material, any junk mail, spam, or chain letters;
- Use a web crawler or similar technique to access our Services or to extract data,
- Reverse engineer or disassemble any aspect of the Site or Services in an effort to access any source code, underlying ideas and concepts, and algorithms;
- Take any action that imposes an unreasonable or disproportionately large load on our infrastructure, or detrimentally interfere with, intercept, or expropriate any system, data, or information;
- Transmit or upload any material to the Site that contains viruses, Trojan horses, worms, or any other harmful or deleterious programs;
- Otherwise attempt to gain unauthorized access to the Site, other Bluebelt Accounts, computer systems or networks connected to the Site, through password mining or any other means; or
- Transfer any rights granted to you under these Terms.

14. NO TRANSFERABILITY

While the Account and the Services provided to a User are not transferable under any circumstance and shall be used only by the User, Bluebelt shall have the right to transfer, assign, or sell all the rights, benefits, or obligations to any person and these Terms shall continue to be in force and effect for the benefit of the successors and assigns of Bluebelt or its lenders, if any.

15. ELECTRONIC TRADING TERMS

Bluebelt does not own or control any of the underlying software through which blockchain networks are formed and Tokens are created and transacted. In general, the underlying software for blockchain networks tends to be open source such that anyone can use, copy, modify, and distribute it. By using the Services, you acknowledge and agree (i) that Bluebelt is

not responsible for operation of the underlying software and networks that support Tokens and that Bluebelt makes no guarantee of functionality, security, or availability of such software and networks; and (ii) that the underlying protocols are subject to sudden changes in operating rules (a/k/a “Forks”), and that such Forks may materially affect the value, function, and/or even the name of the Tokens you store in your Account. In the event of a Fork, you agree that Bluebelt may temporarily suspend the Services (with or without advance notice to you) and that Bluebelt may, in its sole discretion, (a) configure or reconfigure its systems or (b) decide not to support (or cease supporting) the Forked network entirely, provided, however, that you will have an opportunity to withdraw Tokens on at least one of still existant underlying networks. You acknowledge and agree that Bluebelt assumes absolutely no responsibility whatsoever in respect of any underlying software protocols, whether Forked or not.

Bluebelt may delist a Token at any time in its sole discretion based on a number of factors, one of which may include changes in a given Token’s characteristics after Bluebelt has listed the Token.

A transaction on the Platform may fail for several reasons, including but not limited to change in seller prices, insufficient margin, or unanticipated technical difficulties. We make no representation or warrant that any transaction will be executed properly. Bluebelt is under no circumstances liable for any loss or injury suffered by a failure of a transaction to complete properly or in a timely manner. Further, Bluebelt is in no way responsible for notifying you of a transaction failure. The User has full responsibility to determine and inquire into the failure of any transaction the User initiates.

In the event that you receive any data, information, or software through our Services other than that which you are entitled to receive pursuant to these Terms, you will immediately notify us and will not use, in any way whatsoever, such data, information, or software. If you request a withdrawal of Tokens and we cannot comply with it without closing some part of your open positions, we will not comply with the request until you have closed sufficient positions to allow you to make the withdrawal.

Bluebelt may refuse to execute a trade, impose trade amount limits or restrictions at any time in its sole discretion without notice. Specifically, Bluebelt reserves the right to refuse to process, or the right to cancel or reverse, any transaction or disable a User’s deposit address on the Platform where Bluebelt suspects the transaction involves money laundering, terrorist financing, fraud, or any other type of crime or if Bluebelt suspects the transaction relates to a prohibited use as stated in our Terms, including transactions involving the opening of an Account and subsequent closure without any actual trading occurring. Bluebelt provides deposit Accounts to enable trading using the Services and does not allow Users to use such Accounts as a web wallet or address changing service. We reserve the right to halt deposit activity at our sole discretion. While Bluebelt may in its discretion reverse a trade, a User may

not change, withdraw, or cancel its authorization to make a transaction, except with respect to partially filled orders.

Bluebelt may correct, reverse, or cancel any trade impacted by an error in processing your purchase or otherwise. Your remedy in the event of an error will be limited. You may seek to cancel your order or obtain a refund of any amounts charged to you, although we cannot guarantee such cancellations or refunds will always be possible.

Bluebelt provides its Users with a platform that allows their orders to be matched with the orders of other Users. Orders may be partially filled or may be filled by a number of orders, depending on the trading activity at the time an order is placed.

The Tokens that are available for purchase through the Services may be subject to high or low transaction volume, liquidity, and volatility at any time for potentially extended periods. You acknowledge that while we are using commercially reasonable methods to provide exchange rate information to you through our Services, the exchange rate information we provide may differ from prevailing exchange rates made available by third parties. Similarly, the actual market rate at the time of your trade may be different from the indicated prevailing rate depending on the velocity of trading in the Tokens involved in your trade. You agree that Bluebelt is not liable for price fluctuations or differences in actual versus indicated rates.

16. PERMANENT WITHDRAWAL OF SERVICE

Bluebelt may (a) suspend or terminate your access to the Services, and (b) deactivate or cancel your Account as required by a valid subpoena or court order, or if Bluebelt suspects you or others of using your Account in furtherance of illegal activity. You will be permitted to transfer Tokens associated with your Account for fourteen (14) days after Account deactivation or cancellation unless such transfer is otherwise prohibited (i) under the law, or (ii) by a valid subpoena or court order. If any transaction is in a pending state at the time your Account is cancelled or suspended, such transaction may be cancelled and/or refunded as appropriate. You may not cancel your Account if Bluebelt believes in its sole discretion that such cancellation is being performed in an effort to evade an investigation or avoid paying any amounts otherwise due to Bluebelt. Upon cancellation of your Account, you authorize Bluebelt to cancel or suspend pending transactions and, after providing electronic notice to you, return the Tokens associated with such transactions to the wallet address you provide to Bluebelt. In the event that you or Bluebelt terminates this agreement or your access to the Services, or deactivates or cancels your Account, you will remain liable for all amounts due hereunder. In the event that a technical problem causes system outage or Account errors, Bluebelt may temporarily suspend access to your Account until the problem is resolved.

17. OWNERSHIP OF TOKENS

You hereby certify to us that any Tokens used by you in connection with the Platform are either owned by you or that you are validly authorized to carry out transactions using such Tokens,

and that all transactions initiated with your Account are for your own Account and not on behalf of any other person or entity.

18. INDEMNIFICATION

You agree to indemnify, defend and hold Bluebelt, its affiliates and service providers, and each of their respective officers, directors, agents, joint venturers, employees, and representatives, harmless from any claim or demand (including attorneys' fees and costs and any fines, fees or penalties imposed by any regulatory authority) arising out of or related to (i) your breach of these Terms, (ii) your use of Services, or (iii) your violation of any law, rule, or regulation, or the rights of any third party.

19. DISCLAIMER OF WARRANTIES

BLUEBELT PROVIDES NO GUARANTEE AS TO THE PERFORMANCE OR THE UNINTERRUPTED AVAILABILITY OF THE SERVICES. THE SERVICES ARE PROVIDED ON AN "AS IS," "AS AVAILABLE" BASIS WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED. BLUEBELT DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT WITH RESPECT TO THE SERVICES. BLUEBELT DOES NOT REPRESENT OR WARRANT THAT THE SERVICES AND THE INFORMATION CONTAINED THEREIN ARE ACCURATE, COMPLETE, RELIABLE, CURRENT OR ERROR-FREE. BLUEBELT WILL MAKE REASONABLE EFFORTS TO ENSURE THAT TRANSACTIONS ON THE PLATFORM ARE PROCESSED IN A TIMELY FASHION, BUT MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO THE AMOUNT OF TIME NEEDED TO PROCESS SUCH TRANSACTIONS. BECAUSE TOKEN TRANSFERS ON AND OFF THE PLATFORM ARE DEPENDENT UPON MANY FACTORS OUTSIDE OF OUR CONTROL INCLUDING DENIAL OF SERVICE ATTACKS AND THE LIQUIDITY OF THE TOKENS TRADED ON OUR PLATFORM, AMONG OTHER FACTORS, BLUEBELT MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING THE SUCCESS OF, OR THE AMOUNT OF TIME NEEDED FOR, TOKEN TRANSACTIONS. YOU ALSO ACKNOWLEDGE THAT ANY INFORMATION THAT YOU STORE OR TRANSFER USING THE SERVICES MAY BECOME IRRETRIEVABLY LOST OR CORRUPTED OR TEMPORARILY UNAVAILABLE DUE TO A VARIETY OF CAUSES, INCLUDING SOFTWARE FAILURES, THIRD PARTY PROTOCOL CHANGES, INTERNET OUTAGES, THIRD PARTY DENIAL OF SERVICE ATTACKS, ACTS OF GOD OR UNSCHEDULED MAINTENANCE. YOU ARE ENCOURAGED TO BACK UP AND SAFEGUARD YOUR INFORMATION, INCLUDING LOGIN CREDENTIALS, AT ALL TIMES.

SOME JURISDICTIONS DO NOT ALLOW THE DISCLAIMER OF IMPLIED TERMS IN CONTRACTS WITH CONSUMERS, SO SOME OR ALL OF THE DISCLAIMERS IN THIS SECTION MAY NOT APPLY TO YOU.

Additionally, you acknowledge that Bluebelt does not act or serve as your broker, intermediary, agent, or advisor with respect to any transaction you make or propose to make using the Services and owes you no fiduciary duty.

20. LIMITATION OF LIABILITY

TO THE MAXIMUM EXTENT PERMITTED BY LAW, BLUEBELT SHALL HAVE NO LIABILITY FOR ANY DAMAGES OF ANY KIND (INCLUDING WITHOUT LIMITATION INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR TORT DAMAGES, OR LOST PROFITS) IN CONNECTION WITH YOUR USE OF THE SERVICES, EVEN IF BLUEBELT HAS BEEN ADVISED OR IS AWARE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL BLUEBELT'S LIABILITY FOR MONEY DAMAGES UNDER THESE TERMS EXCEED THE AMOUNT OF FEES RECEIVED FROM YOU DURING THE PRECEDING SIX (6) MONTH PERIOD.

21. SERVERABILITY

If any provision of the Terms or part thereof is held to be invalid or unenforceable under BSP or other laws or regulations, the remaining provisions hereof shall remain in full force and effect, and the Company and the Registered User shall endeavor to agree to an amendment thereof to the extent necessary to make such invalid or unenforceable provision or part thereof legally operative in order to achieve the same purpose and same legal and economic effect as originally contemplated by such invalid or unenforceable provision or part thereof.

22. GOVERNING LANGUAGE AND TRANSLATIONS

You agree that these Terms, Bluebelt's Privacy Policy, and other notices posted through the Services have been drafted in English. Although translations in other languages of any of the foregoing documents may be available, such translations may not be up to date or complete. Accordingly, you agree that in the event of any conflict between the English language version of the foregoing documents and any other translations thereto, the English language version of such documents shall govern.

23. UNCLAIMED PROPERTY

If Bluebelt is unable to return your Tokens to a third party Account for you after a period of inactivity, Bluebelt may report and remit the Tokens to an applicable government agency pursuant to applicable escheatment or unclaimed property laws.

24. RESOLUTION THROUGH DISCUSSION

Any matters not provided for in the Terms or those giving rise to any doubts with respect to the interpretation of the Terms shall be promptly resolved through good faith discussions between the Company and the Registered User.

25. QUESTIONS AND CONTACT INFORMATION
